Dear Parents/Carers,

The potential threat from the COVID-19 virus is causing much discussion and concern in the school community. At present, students are being encouraged to attend school. However, the Radiant Life College Board and teaching staff are aware that the College needs to be prepared for potential developments.

The Board and the staff are aiming to cater as well as possible for the future. For this to occur, teachers will need to do some special training and curriculum resource production. The College also needs to enhance hygiene-protection and social-separation facilities.

As a result, students will be required to stay home from Monday 30 March to Friday 3 April, 2020. Staff will be on duty, though, and the phone will be attended between 9:00am and 2:30pm.

Term 1 will end on Friday 27 March at 2:45pm. (Home-study materials will be delivered on Monday 30 March for students to use at home during that week.)

After the Easter school holidays, **Term 2 will begin on Monday 20 April at 8:50am** unless a further closure is ordered (Updates will be posted on Facebook.). We will look forward to all students returning to school on that date.

If no other closures are ordered, buses will run normally on 27 March and 20 April.

We sincerely believe that this action will be in the best long-term interests of the students.

Yours sincerely,

Allan McCarroll
